Dear Cooperating and Participating Agencies:

The BLM published the Ambler Road Draft Environmental Impact Statement (EIS) on the BLM ePlanning web site August 23, 2019. It is posted for public and agency review and may be viewed online or downloaded. Go to [www.blm.gov/AmblerRoadEIS](http://www.blm.gov/AmblerRoadEIS) (you may click the ePlanning link).

The BLM is **accepting comments through October 15, 2019**.

We would like to invite you to an agency meeting about the Draft EIS. This is an opportunity to learn more about the project and the EIS. The meeting will include a presentation and chances to ask questions. EIS preparers will be on hand to help agencies determine where in the EIS and appendices topics of interest are addressed. Meeting details:
